### EDUCATIONAL ADVISING SERVICES

The Public Affairs Sections (PAS) in Maputo provides group and individual advising services for persons who wish to study in the United States, at undergraduate and graduate level. Our Educational Advisor provides assistance regarding application, testing and entrance procedures for U.S. Universities.

Our reference library holds directories of universities and colleges offering courses, reference guides and catalogs from various universities and colleges. We also provide college entry preparation materials and information on institutions that may offer scholarships.

All those who wish to study in the United States are most welcome.

### Advising Hours

Individual advising: Monday thru Wednesday from 9:00 to 11:00 am

Group Advising Sessions: Every last Thursday of the month from 3:00 to 4:00 pm

### Why Study in the USA?

More than 3, 500 universities and other institutions offer degree programs in the United States of America. This vast choice means there are programs available to meet everyone's needs. Here are some reasons why more and more international students from around the world are furthering their education in the United States:

**Quality:** U.S. universities offer quality programs, faculty, facilities and resources.

**Choice:** The U.S. education system offers an unrivalled choice of institutions, academic and social environments, entry requirements, degree programs, and subjects in which students can specialize.

**Flexibility:** Students can design their own programs, and work collaboratively with other departments.

**Value:** A wide range of tuition fees and living costs, plus financial assistant from various departments within universities, have made study in the United States affordable for thousands of international students.
